Preface

With this issue of the Acta Physica Debrecina comes to the end of a long period: in the next issue a much renewed Editorial Board will facilitate the edition. We are grateful to our long time editors Profs. Dezső Beke, István Lovas, Ágnes Nagy, József Pálinkás, Kornél Sailer and Ilona Tamássy-Lentei for their continuous support for so many years.

Debrecen, September 30, 2013
